A PROUD TRADITION OF SERVICE TO OUR COMMUNITY

Thank you for your interest in the Alta California Leather Corps

The corps was established in 1993 as Alameda County Leather Corps to satisfy a growing demand for a club catering to the interests of the leather, levis, uniform and fetish wear community of Alameda County and the East Bay.

We hold quarterly meetings, fund-raising events for charities, social events and outings. We have donated over \$300,000 to charities serving the Bay Area.

We are a recognized 501(c)(3) non-profit organization.

Meetings are via teleconference each quarter and announced in email and on our FaceBook group. Members planning to call-in can get the conference call number and password from any board member after the next scheduled meeting is announced.
